

The NH-1800 Series offers exceptional value with plenty of customization options. Featuring a new, sleek design, it is also an attractive addition to any retail setting.

Features

Reliability

State-of-the-art technology provides quick and accurate transactions. This popular ATM is also known for its reliability, thanks to a proven track record in the U.S. market.

Security

A UL business-hour safe and PCI EPP (Encrypting PIN pad) provide a secure transaction environment. For enhanced security, choose an optional electronic or KABA Mas Cencon safe lock.

Capacity up to 4,000 Notes

A variety of cash-dispensing units offer combinations up to 4,000 notes. This flexibility also allows us to design an ATM at a price range that can work for you.

Superior quality, security and value.

Only with Nautilus Hyosung.

Now offering the most complete line of financial and retail ATMs.

**The NH-1800 Series is simply the best value
in ATM solutions for the retail industry.**
